Shown in China Grey

Shown in China Grey

Columbaria and Personal Cremation CREMATION DOORS

Cremation doors can be customized and personalized with imagery and messages. Usually, the same or coordinating layouts will be used for every niche within the monument to give an overall pleasing aesthetic. On personal cremation monuments, the family name might be carved into the cap of the monument. Community columbaria will allow full names on each door.

Shape Carving Layouts

VARIOUS DESIGNS

Shape carving adds an element of beauty and nature to a granite monument. Many flowers, mainly roses, can be carved to appear three dimensional. Below, find examples with shape carved flowers and garlands. Opposite, find examples of components that can be shape carved.

Laser Layouts

VARIOUS DESIGNS

With laser etching, you can obtain photographic detail. It is perfect for portraits or detailed photographs. Lettering Only layouts lend themselves perfectly to laser designs, and laser designs pair nicely with sandblasted imagery as well. Find layout examples throughout this catalog.
