MISSION STATEMENT

The Catholic Church of the Archdiocese of Detroit ministers daily to the faith community. The Archdiocesan Catholic Cemeteries (Holy Cross, Holy Sepulchre and Our Lady of Hope) are an extension of the Catholic Church which ministers to the faithful at significant moments in their lives--primarily at the moment of the death of a loved one. All services are designed to emulate the comfort and compassion of Jesus. Our ministries are rooted in firm belief in the sacredness of human life.
